Terms and Condition

1. Legal basis
This registration is being carried out under the Solid Waste Management Rules 2026 (SWM Rules 2026) notified under the Environment (Protection) Act, 1986. Registration of Bulk Waste Generators is mandatory under Rule 6(a) of SWM Rules 2026. The centralised online portal is established and operated by the Central Pollution Control Board (CPCB) under Rule 16 of SWM Rules 2026.

2. Obligations of the registered bulk waste generator
By completing this registration, the entity acknowledges and agrees to fulfil all duties assigned to Bulk Waste Generators under SWM Rules 2026, including but not limited to:

- a) Ensuring segregation of waste at source into wet waste, dry waste, sanitary waste, and special care waste as per guidelines issued by CPCB and MoEF&A;
- b) Making necessary arrangements for collection and handover of dry waste, sanitary waste, and special care waste to the local body or its authorised agency; the local body or its authorised agency;
- c) Setting up and operating wet waste processing facility of adequate capacity in case of new bulk waste generators;
- d) Filing annual returns by 30th June every year on this portal;
- e) Fulfilling Extended Bulk Waste Generator Responsibility (EBWGR) obligations as specified under Rule 39 of SWM Rules 2026 and certificates to be procured from the concerned Local Body;
- f) Notifying any change in information provided during registration to the Local Body within 30 days of such change.

3. Registration fee
A registration fee shall be payable by the Bulk Waste Generator in accordance with guidelines prepared by CPCB. The payment gateway for fee collection will be activated on the portal upon notification by CPCB. By proceeding with this registration, the applicant acknowledges the applicable registration fee and agrees to make the payment upon activation of the payment gateway, as a condition of maintaining valid registration status.

4. Accuracy of information
The applicant declares that all information provided during this registration is true, complete, and accurate. Submission of false, incomplete, or misleading information constitutes an offence under the Environment (Protection) Act, 1986 and may attract Environmental Compensation (EC) as prescribed under SWM Rules 2026, in addition to other penal provisions.

5. Data use and privacy
The information submitted in this registration form will be used by CPCB, the concerned SPCB/PCB, and the concerned ULB/Local Body for the purposes of administration, monitoring, compliance, and reporting under SWM Rules 2026. Aggregated, anonymised data may be published in the public domain in accordance with the Portal's dashboard mandate under Rule 16(2) of SWM Rules 2026. Personal contact details will not be shared with third parties except as required under law.

6. Portal access and security
The applicant is responsible for maintaining the confidentiality of their login credentials. Any activity performed through the registered account is deemed to be performed by the authorised person. CPCB shall not be liable for any misuse of login credentials. In case of suspected unauthorised access, the user must report immediately to the portal helpdesk of this portal.

7. Modification and cancellation
CPCB reserves the right to modify these terms and conditions at any time in accordance with amendments to SWM Rules 2026 or guidelines issued thereunder. Continued use of the portal constitutes acceptance of any such modifications. CPCB or the concerned ULB may cancel or suspend a registration in the event of non-compliance with SWM Rules 2026 or submission of false information.

8. Governing law
This registration and all terms herein are governed by the laws of India, including the Environment (Protection) Act, 1986 and SWM Rules 2026. Any dispute shall be subject to the jurisdiction of courts at New Delhi.

☐ I have read, understood, and agree to abide by the Terms and Conditions stated above, including the obligations under SWM rules 2026. **

☐ I declare that the information submitted in this application is true and accurate to the best of my knowledge. I understand that submission of false information is an offence under the Environment (Protection) Act, 1986.*

☐ I acknowledge the registration fee payable to the concerned authority and agree to make the payment upon activation of the payment gateway on this portal.*

5 Acknowledgement

Confirmation receipt generated by the portal

- An Acknowledgement Receipt is generated with a unique Acknowledgement Number (e.g. SWM/BWG-I/DL/2026/0000008).
- Application status is shown as “Pending Verification at ULB”.
- Receipt displays Applicant Information, BWG Criteria met, and Premises Address as submitted.
- Download and save the acknowledgement for future records.
